Yamato Holdings Co., Ltd.

## Three Yamato Group Companies Certified as Health & Productivity Management Outstanding Organizations for 2024

Yamato Holdings Co., Ltd. (Head Office: Chuo-ku, Tokyo; Representative Director and President: Yutaka Nagao) is pleased to announce that on March 11, 2024, three of its Group companies were certified as Health & Productivity Management Outstanding Organizations for 2024, jointly selected by the Ministry of Economy, Trade and Industry and the Nippon Kenko Kaigi (Japan Health Council).

### 1. Background

In September 2010, the Yamato Group formulated the Yamato Group Health Declaration with the aim of enhancing each employee's health and contributing to the creation of a more enriched society. Based on this, the Group has engaged in efforts to promote health as the foundation of employee work. In February 2024, we formulated the Yamato Group Medium-term Management Plan, "Sustainability Transformation 2030 ~1st Stage~, " which sets forth the goal of further improving work comfort and job satisfaction for diverse employees. Based on this, we are actively working to improve the health of all people involved in our business operations.

### 2. Certified Companies

#### (1) Large Enterprise Category

Yamato System Development Co.,Ltd.

#### (2) SME Category

Yamato Credit & Finance Co., Ltd.

Kobe Yamato Transport Co., Ltd.

The greatest asset of the Yamato Group is its people, and since the health of each individual is essential for the growth of the Yamato Group, we will continue to advance various initiatives involving our partners.

## Reference

### About the Health & Productivity Management Outstanding Organization Certification System

This system was established by the Japanese Ministry of Economy, Trade and Industry (METI) in 2016 with the aim of creating an environment in which large corporations, small and medium-sized enterprises, and other corporations that practice particularly excellent health and productivity management can be visually identified and evaluated by employees, job applicants, related companies, and financial institutions.
