Yamato Transport Co., Ltd.

New "Kuroneko Yu-Packet" Deliveries to Launch in Select Areas on October 1

Nationwide flat rate based on thickness (1 cm, 2 cm, 3 cm), bulk collection available

Yamato Transport Co., Ltd. (Headquarters: Chuo-ku, Tokyo; Representative Director and President: Yutaka Nagao; hereinafter "Yamato Transport") announces that it will launch a new mailbox posting service, "Kuroneko Yu-Packet," in select areas beginning June 19, 2023 based on a partnership for sustainable logistics services.

大きさ… **A** + **B** + **C** = 計60cm以内
(A = 34cm以内 C = 3cm以内)

重さ… 1kg以内

Size: A + B + C = Up to 60cm (A = Up to 34cm, C = Up to 3cm)

Weight: Up to 1kg

1. Background and Objectives

On June 19, 2023, the Yamato Group concluded a basic agreement with the Japan Post Group for the purpose of helping resolve various logistics-related social issues and promoting sustainable logistics services.

Based on this basic agreement, "Kuroneko Yu-Packet," a new posting delivery service for corporate customers, will be launched beginning in select areas on October 1, 2023. Yamato Transport will accept "Kuroneko Yu-Packets" of up to 3 cm in thickness from the customer and deposit the package in a mailbox or other location at the delivery destination through the delivery network of Japan Post Co., Ltd. (hereinafter "Japan Post").

2. Overview of "Kuroneko Yu-Packet"

1) Features

- ① Nationwide flat rate based on thickness of 1 cm, 2 cm, or 3 cm
- ② Collection and delivery 365 days a year, 7 days a week, bulk collection available
- ③ Deposited in the recipient's mailbox via Japan Post's delivery network

2) Launch date

October 1, 2023

3) Sales area (as of October 1, 2023)

Hokkaido, Aomori, Iwate, Miyagi, Akita, Fukushima, Tochigi, Gunma, Niigata, Toyama, Ishikawa, Fukui, Yamanashi, Gifu, Aichi, Mie (16 prefectures)

- ※ Sales will be gradually expanded to more areas. For details, please refer to this link for more details (Japanese only): [Kuroneko Yu-Packet/Nekopos Sales Area Information](#)
- ※ Individual customers shipping from personal transaction sites (flea markets, auction sites, etc.) that have contracts with Yamato Transport will continue to be able to use Nekopos.
