

Yamato Holdings Co., Ltd.

Yamato Holdings Co., Ltd. (Headquarters: Chuo-ku, Tokyo; Representative Director and President: Yutaka Nagao), through the KURONEKO Innovation Fund (Operator: Global Brain Corporation), has made an additional investment in SIXTYPERCENT Inc. (Headquarters: Shibuya-ku, Tokyo, Representative Director, CEO (Co-founder): Taiga Manabe, hereinafter "SIXTYPERCENT"), which operates the international fashion e-commerce site 60% (Sixtypercent) offering a collection of Asian brands, among other services.

60% (Sixtypercent) is an online select store featuring over 1,400 brands* from approximately 10 Asian countries, including South Korea. Many brands selling products on 60% are mainly indie brands, with a total of over 100,000 different articles of apparel* available. The product lineup featuring many options not available in Japan appeals to members of Generation Z; approximately 90% of the site's

users are in their teens and twenties.

Now, the KURONEKO Innovation Fund has made an additional investment in SIXTYPERCENT based on its marketing focused on Generation Z and corporate growth capabilities. The fund will continue to support SIXTYPERCENT's growth and work to create new value in the international e-commerce market, which is expected to expand further.
