Yamato Holdings Selected as an Environment Disclosure Progress Company in the 6th ESG Finance Awards Japan

Yamato Holdings Co., Ltd. (Head Office: Chuo-ku, Tokyo; Representative Director and President: Yutaka Nagao) announces that it has been selected as an Environment Disclosure Progress Company in the Environment Sustainable Category of the 6th ESG Finance Awards Japan organized by the Ministry of the Environment. This award comes in recognition of our efforts to incorporate important environment-related opportunities and risks into its management strategy, has made a high degree of improvement in its disclosure, and is expected to further development. This selection follows the 2024 selection as an “Environmentally Sustainable Company” in the same awards.

The Yamato Group is promoting measures such as the introduction of EVs and solar power generation equipment in order to achieve virtually zero greenhouse gas (GHG) emissions by 2050 and a 48% reduction in GHG emissions by 2030 (compared to FY2020), and is also promoting initiatives to decarbonize not only the company itself, but society as a whole. The company is also promoting initiatives to decarbonize not only its own operations but also society as a whole.

We will continue to promote initiatives to mitigate climate change and contribute to the realization of a sustainable future in which society and business can develop together by combining economic, environmental, and social values.
