Yamato Transport Co., Ltd.

Launched Same-Day TA-Q-BIN Delivery and New Intraprefectural Fares from November 10, 2025

Aiming to further improve customer convenience and strengthen the foundation of the TA-Q-BIN business

Yamato Transport Co., Ltd. (Headquarters: Chuo-ku, Tokyo; Representative Director and President: Seiichi Awa) is pleased to announce that it will start offering TA-Q-BIN Same-Day Delivery Services on Monday, November 10, 2025 to deliver packages received in the morning on the same day, and establish new fares when shipping within the same prefecture.

Yamato has been developing products and services that meet the needs of customers and society, which are diversifying due to technological innovation and lifestyle changes. Furthermore, we have been providing solutions that help solve local issues. Now, to respond with greater flexibility and speed to diverse needs and changes in the external environment, we are expanding the TA-Q-BIN service lineup. These new services will improve the convenience of sending and receiving packages for customers and strengthen the foundation of the TA-Q-BIN business.

■ Same-Day Delivery Service Overview

In response to the need for same-day delivery and receipt of packages, any packages dropped off at a Yamato Transport sales office by 12:00 p.m. will be delivered during the earliest possible time slot after 2:00 p.m. on the same day.

Going forward, we will continue efforts toward appropriate pricing based on added value.
